## Who we are

Who is providing this notice?

State Employees Credit Union

## What we do

How does State Employees Credit Union protect my personal information?

To protect your personal information from unauthorized access and use, we use security measures that comply with federal law. These measures include computer safeguards and secured files and buildings.

**We maintain physical, electronic and procedural safeguards. We also do not share confidential or sensitive information.**

How does State Employees Credit Union collect my personal information?

We collect your personal information, for example, when you

- Open an account or apply for a loan
- Show your drivers license or provide employment information
- Give us your contact information

**We also collect your personal information from others, such as credit bureaus, affiliates, or other companies.**

Why can't I limit all sharing?

Federal law gives you the right to limit only

- Sharing for affiliates' everyday business purposes – information about your creditworthiness
- Affiliates from using your information to market to you
- Sharing for nonaffiliates to market to you

State laws and individual companies may give additional rights to limit sharing.
